MONTAGE[®]

RESIDENTIAL ORNAMENTAL STEEL FENCE

Surround yourself with
beauty & protection.

The Montage ornamental steel fence is strong, terrain-adaptable and climate-tough, yet remains elegant and untouched by time.

E-COAT VS. PAINTED STEEL

Major corrosion problems start from the inside. That's why Ameristar Montage products are coated inside and outside.

Our multi-stage pretreatment wash, duplex cathodic electrocoat system and acrylic topcoat provide superior corrosion protection to withstand adverse weathering effects.

The E-Coat process results in years of maintenance-free ownership.

LIFETIME WARRANTY

The Montage families of fencing products are manufactured from superior quality materials by skilled craftsmen with the highest standards of workmanship in the industry.

We are so confident in this product, it comes with a lifetime warranty.

PROFUSION WELDED STEEL VS. ALUMINUM

All Montage fence panels are fabricated using our ProFusion welding process. This technique creates a virtually invisible structural connection at every picket to rail intersection, producing sleek lines.

RACKABLE PANELS VS. STAIR-STEP

ProFusion welded panel designs enable maximum bias for virtually all terrains. As the only welded steel fence capable of following steep grade changes, Montage eliminates stair-stepping panels.

FULLY RACKABLE

ENVIRONMENTALLY RESPONSIBLE

We lead the way in manufacturing programs and practices that reduce our carbon footprint — monitoring air emissions, stormwater runoff and wastewater discharge and recycling all scrap steel, wood, cardboard, plastics, paper and oil products, giving our products the opportunity to earn project LEED points.

CLASSIC™

Experience traditional grace.

The extended pickets — topped with arrow-pointed spears — of this classic style capture the look of traditional wrought iron fencing. Single, double and arched walk gates are also available to match this style.

POOL, PET & PLAY

Relax in style.

The Montage Pool, Pet & Play provides additional safety for pets and children with only 3" airspace between pickets. This also provides increased panel strength due to the additional picket to rail connections.

GATE SYSTEMS

Make a grand entrance.

Montage's arched single swing, single swing and double swing gates are crafted with fully welded construction for years of durability. Fabricated with the same components as the fence panels, these gates provide a seamless transition from fence to gate. A variety of steel Estate® Entry Gates are also available.

Why Choose Ameristar?

KNOWLEDGE AND EXPERIENCE

For over 30 years we've delivered aesthetically pleasing, high-quality and innovative fencing products with superior design strength and easy installation.

PROVEN CAPABILITIES

Our integrated in-house processes, extensive raw materials and finished goods inventory translate into quality, on-time delivery.

INDUSTRY LEADERSHIP

We continually raise the bar in manufacturing customer-focused solutions. Our high standards produce premium products that go beyond merely meeting minimum industry standards.
